VAT RC has been in touch with HMRC they have a considerable backlog and suggest I chase again early December if I still have not heard by then. RC will deal with this before the meeting.

Path extension, the original path cost £10,100, materials and labour, I have therefore amended the budget to show £2500 for this. I have also amended the election figure to £2000 as the advice from NFDC is that the potential cost of a contested election for NMPC is approx. +£1800, I have circulated the amended budget – email 17.11.22
